Sir:

In response to the Notification of Non-Complaint Appeal Brief dated February 12, 2009, Applicant submits a Corrected Appeal Brief. The original Appeal Brief was found to be non-complaint solely because the brief did not address all grounds of rejection. Only the rejections set forth in part 5 of the Office Action were addressed. The Corrected Appeal Brief includes additional sections F, G and H that address the other grounds of rejection in the final Office Action. The Corrected Appeal Brief also has a corrected index and Section VI of the brief lists all grounds for rejection to be reviewed.

Accordingly, the Corrected Appeal Brief complies with the applicable rules and should be entered.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Lynn J. Alstadt", written in a cursive style.
